

JOIN US FOR A WEEKEND OF FOCUSED PRAYER AT EMERALD HILLS!

by Doug Lucas, Founder and President, Team Expansion

Did you ever wish you could just be out in God's creation with a community of saints for white-hot worship and focused prayer? Now you can. Starting at 6:00 p.m. on October 10th and continuing through 5:00 p.m. on October 11th, join us for "Unleashed: Extraordinary Prayer for the Harvest." Our goals are simple.

WE WOULD LIKE TO:

- Advance the practice of prayer (personally, of course, but for global outreach especially)
- Underscore the importance of prayer for the local church
- Build camaraderie among those who believe strongly in prayer
- Discover Emerald Hills as a great location to pray, retreat, and learn together
- Build a stronger network of prayer partners for Team Expansion worldwide

We aren't just going to talk about prayer; we're going to do it. And, although we'll feature some specialists

to help us understand prayer in a new light, we'll also approach the weekend somewhat as a community of equals in God's sight. In other words, this will not be a weekend built around celebrities; it's a weekend built around God.

If you'd like to be a part of something like that - something that can change the world starting right here at Emerald Hills, learn more and register today: www.emeraldhills.info/wp/events/unleashed

We hope you'll join us. We hope to change the world, beginning with prayer, starting right here at Emerald Hills.

FIELD HIGHLIGHT *North Africa*

by workers serving in North Africa

"Mac" found our website. He wrote that he wanted to know how to become a Christian. We met one year ago, during Ramadan.

As we studied Acts 4:12, he asked how he could understand the Bible. I told him that the same Holy Spirit who guides me would guide him.

Then a large dove landed on our table and looked at both of us in the eye.

A few months later, Mac was baptized. What joy filled his heart as he came up out of the water. The next day I asked him when he would baptize his friends. He answered, "As soon as possible!"

This month, he shared that one of his friends just put his faith in Christ for salvation. They are already talking about when he could be baptized.

Heavenly Father, give these new believers much joy and courage as they trust in Your Son, Jesus, the Messiah.

Am I really making true disciples if they are not in turn able to make disciples? How can I become a disciple worth multiplying? Can ordinary average Christians really experience exponential fruit 30, 60 and 100-fold like Jesus promised?

Join us November 12-13 in Dublin, OH, as we engage these questions and more alongside experienced practitioners who are part of movements.
