**Team Expansion**

*Dear Colleagues in Christ,*

Since that late-night prayer meeting in my college dorm back in 1978, God has accomplished one miracle after another. From Caracas to Kherson, Bogotá to Bosnia, the Lord has been faithful as we've prayed. Today, with the help of thousands of individual and church partners, Team Expansion has well over 300 full-time adults creatively serving Christ in projects scattered across nearly 50 countries, most of which have been new fields for the Christian Churches. These hard-working saints have, with God's help, led some 10,000 people to the Lord and, in pursuit of our ultimate end goal, they've established hundreds of new churches.

However, we are constantly haunted by the more than 2 billion souls, forming some 6000 unreached people groups that have yet to experience their first valid opportunity to say yes to Jesus. In view of this incredible need, we feel compelled to radically increase our capacity to recruit, equip, send, and sustain missionaries. However, for that to happen, we need a band of Partners. To truly Enlarge the Harvest, we need your help. Would you join us in building a solid future for His glory?

*Joy Lucas*

Team Expansion is building its capacity for tomorrow's harvesters, while stepping up efforts today for the sake of the world's "least-reached" peoples. This new thrust, "Enlarge the Harvest," will provide for...

- The launching of 25 new outreach projects among unreached peoples
- Stipends and scholarships for new trainees to build ministry partnerships with local churches and to get the equipping they need prior to going overseas
- Completion of the new Prayer Center & Atrium at Emerald Hills
- Regional "member care retreats" for workers in far-flung places
- Biannual Team Leaders' Summit, to train and encourage our mission team leaders
- A desperately needed missionary guest housing "East Wing" at Emerald Hills
- Special field projects among our various ministries around the world such as: fresh water wells for Mongolia, a goat herd in Bosnia, a home for battered women and neglected children in Peru, etc.

All of the projects will be overseen by Team Expansion workers. Your gift today provides for immediate deployment of these outreaches.

## Churches

**Churches** commit to a partnership at the following levels of monthly giving for the sake of evangelism in the least-reached world:

### \$250 Cultivator

Earnestly prays that God would enable a \$250 monthly partnership.

### \$500 Thresher

Through God's strength, seeks to send a \$500 monthly partnership.

### \$ \_\_\_\_\_ Gleaner

This church asks God for a special anointing to prepare a distinctive partnership with the amount being specified by the congregation.

Interestingly, we have intentionally chosen not to rely on a professional fund-raising consultant nor a capital campaign advisor—meaning that not a single percentage point of your gift will go toward a fund-raising "machine." Team Expansion doesn't even have a full-time development team. That's why we're relying on our existing workers to help us get this word out. That's why we desperately need your help.

Would you please join us today?
